

CLS COMMUNICATION

# Finance

Language services from industry insiders

# Specialist knowledge with top-level data security

The financial services sector is becoming increasingly complex – which makes professional, timely communication all the more crucial. At CLS Communication we offer a full range of language services provided by experts with in-depth knowledge of the finance industry. You benefit from the efficiency and consistency of our precision-engineered processes, while our extensive global network provides flexible solutions and around-the-clock availability.

## SOLID EXPERTISE IN FINANCIAL COMMUNICATION

Are you looking for a proficient language partner up-to-date with all the latest developments in the financial industry? At CLS Communication, our language professionals have in-depth knowledge of the financial sector, gained through direct professional experience and enhanced by ongoing training. You can rely on us for professional documents in all aspects of banking and finance, from corporate financing through retail banking to financial market research. Our areas of expertise include:

- Private equity
- Asset management
- Investment funds and advice
- Loan and mortgage agreements
- Corporate financing
- Account documents
- Investment and performance reports
- and more

CLS Communication provides a complete range of language services and can design and manage all aspects of a project, or you can simply pick and choose the individual services you require according to your specific needs – freeing up valuable time and resources so you can focus on your core business. A dedicated team will manage your project throughout the entire product cycle using a range of language technologies to ensure you receive a first class product – on point, on time and on budget.

We offer our clients a wealth of language solutions and communication services:

- Copywriting
- Editing
- Translation
- Proofreading

- Desktop publishing
- Terminology
- Machine translation
- Project management
- CMS and DMS integration
- Business process outsourcing

## SECURE INFRASTRUCTURE

When you deal with sensitive information, issues of confidentiality and IT security are of the utmost importance for you and your clients. Our IT infrastructure and audited processes have been honed over many years and are equipped to handle even your most sensitive communications. Companies and institutions all over the world put their trust in us to handle data of all levels of confidentiality.

## KEY ADVANTAGES

Your key benefits of using CLS Communication as your language partner:

- Language specialists with in-depth knowledge of the finance industry
- Round-the-clock service thanks to our strong global presence
- A secure IT environment that protects sensitive data
- State-of-the-art language technologies to increase efficiency and optimise resources
- Expert partner for your communication needs so you can focus on your core business

## Your partner of choice
