

CLS COMMUNICATION

Legal

The capabilities to meet your most exacting requirements

Expertise and experience you can rely on

Precision and accuracy are vital when it comes to legal documentation. Our team of experienced legal specialists create meticulous and accurate texts and are familiar with the finest details of the legal systems involved. CLS Communication provides a full range of services you can rely on, from simple translations to interpretation and full litigation support.

CLS Communication is a Swiss company with a strong global presence, allowing you to benefit from round-the-clock service. We offer our clients comprehensive solutions optimised by precision-engineered processes and innovative language technologies. Our linguistic quality and specialist expertise in law and finance have made us the partner of choice for some of the world's leading law firms and financial institutions.

With CLS Communication as your language partner, you focus on your core business while relying on our strengths. Your communication needs are served by proven experts with in-depth knowledge and experience of the relevant legal systems and terminology. Our targeted processes can be adapted according to your requirements, thanks to our technological support, providing you with long-term solutions geared specifically to your aims.

PROVEN EXPERTISE

CLS Communication's many years of experience mean you benefit from the established core values that have contributed to our success: superior quality, flexibility, data security, strict confidentiality and an in-depth knowledge of our subject matter. Our language experts have studied law and in many cases have also practised as solicitors.

Our areas of expertise include patents, competition law and finance law, intellectual property and our main specialisations, litigation and arbitration. We have played an integral role in a number of large cases in recent years, translating many thousands of pages of numerous languages. We also advise a number of academic institutions on designing legal translation courses, workshops and seminars and constantly invest in the ongoing training of all our translators.

Comprehensive language services

We offer comprehensive solutions for all available language combinations. You can choose from a wide range of services including:

- Translation and quality assurance
- Certified translations
- Simultaneous and consecutive interpretation
- Document review
- Summarising services
- Machine translation
- Copywriting
- Language support in the e-disclosure process

SEAMLESS DATA SECURITY

The legal sector requires the handling of highly confidential documents and sensitive content. Our solutions meet the strictest security standards, with encrypted data transfer and absolute confidentiality guaranteed by audited processes. Regardless of whether you entrust us with confidential memos, witness statements, decisions or critical media releases, CLS Communication guarantees the highest possible level of protection combined with top service performance. Our clients know they can rely on us.

STATE-OF-THE-ART LANGUAGE TECHNOLOGIES

All client orders are carried out using innovative processes and language technology that meet the most rigorous security standards. We maintain tailored translation memories – databases that store all previously translated material – for our clients. This guarantees that your documents remain consistent with previous work, while also cutting costs thanks to time saved.

Our clients enjoy a range of IT services, from automated order-issuing to interface management, which integrate multiple systems and processes to produce optimal functionality. You will also have access to a special browser-based platform that gives you the opportunity to check the processing status of your current projects. Our audited processes mean that you can entrust us with projects requiring the very highest levels of confidentiality.

FULL CLIENT SERVICE

For each of your cases, you will have a dedicated project manager assigned to oversee a team of translators working on the project from start to finish. This continuity allows you to get to know the translators and ensures that your documents maintain consistent terminology and style throughout the entire project. We offer a very high level of client service so you know that you will be able to reach your project manager or relationship manager at all times.
